Subject: RE: CW v. [REDACTED]

Hi Jim-

I received a summons today for the [REDACTED] case scheduled for trial on April 27, 2011. I am guessing that this is the same case as was scheduled for March 23rd, however I am not positive. The docket you listed previously was [REDACTED], but the summons I received has the docket [REDACTED]. Are they, in fact, the same case (and therefore the same drug number)? Also, I wanted to let you know that I am not available on April 27th as I will be at an all-day training in Boston that day. And as for April 28th, I have a district case scheduled in Chicopee that day. I have not talked with the ADA there yet, so I do not know whether the case is likely to actually go to trial that day. Just thought I'd give you the head's up about it. I'm not sure if you would want to try and reschedule your case, but I could email you my schedule for the next couple of months (realizing that cases can get added on a daily basis).

I apologize if you are no longer the ADA handling this case, and if not, kindly ask that you forward it to the appropriate ADA. Thank you.

-Sonja

Hi Sonja,

As discussed, the summons for tomorrow's case, [REDACTED], docket: [REDACTED], did not make it to your office - very sorry. Thankfully it is good news that you are available. The drug certificate number is [REDACTED]. It is possible that another ADA will be handling this case tomorrow. In that event, I have cc'd them on this e-mail and given them your contact info. Thank you very much for all your help.

Kind regards,
Jim

Jim-

Just checking in to see what the status is of the [REDACTED] case scheduled for trial on Thursday, March 24 in New Bedford District Court. I'm guessing no pleas or stipulations, but please let me know if I am wrong. Also, if everything is still scheduled as planned, do you want me there early in the morning, or would you rather have me on call? It would probably take me 2½ to 2¾ hours to get to the courthouse once I receive the call (driving time + putting away my samples and changing into court clothes), so if you wanted me on call I probably wouldn't be taking the stand until after the lunch break unless you called before 9:30-10:00. Thank you for letting me know what you would prefer.

Subject: questions about [REDACTED] trial 3/24/11
Hi Jim-

I hope that you received my CV. I also have a couple questions regarding the [REDACTED] trial on 3/24/11. First, I know you gave me drug Lab numbers [REDACTED], but I noticed that the defendant listed on [REDACTED] is [REDACTED] -- is this submission also part of the case? Second, I know you said you were in Bristol County and, by looking you up in the state email system, I'm guessing that this is a district court case in New Bedford. Am I correct? If not, then where is this trial being held. Thanks in advance for your help.
